Beautiful and Appealing Oil Paintings Now Yours as Full Color Large Art Prints

ALL 4 ONLY $1

Just picture these irresistible critters in your own home. Everyone who sees these appealing animals fall in love with their adorable warmth and touching wide eyes. You just want to take them into your home and into your heart. That's because the artist, Coby, one of America's most perceptive painters of animals has captured the universal appeal and warmth you find only in a funny, friendly wild animal. Under his sensitive brush, the wonder of these lovable jungle animals and the colorful backgrounds combine to give a refreshing glimpse of life. Unfortunately the black and white illustrations here cannot possibly convey al the artist's magical color and brilliant details. Only when you see them in your home can you fully appreciate their magnificent artistry and superb beauty.

OFFER WILL NOT BE REPEATED THIS SEASON

We urge you to order your full color prints now while the supply lasts. The dramatic portraiture of animals is the latest decorator rage, and these are certain to go quickly. In order to show some of the craftsmanship and intricate detail in all the pictures, we have shown one picture larger than the rest. Actually all four fine art prints are the same size, a full 11"x14" decorator size. So hurry, order now, offer will not be repeated this season in this magazine. ©1971 Division of Bevis Industries
